

# Headsprout wins 7 education industry awards in 2018!

## Proven, Adaptive Reading Instruction That Kids Love

**Headsprout** is an adaptive, online reading program that is easy to implement, fun to use, and proven to help children build the skills needed to become capable and confident readers. Using a unique, scaffolded teaching approach, the program instantly responds and personalizes the learning experience to ensure that each student can master essential reading skills. Plus, kids love the cast of friendly characters, engaging activities, and built-in incentives that make learning to read fun.

## Key Features

- **Adaptive instruction** tailors the learning path and pace for each student.
- **Smart-error corrections** provide instant, positive reinforcement and encouragement.
- **Automated placement, reporting, and benchmark assessments** ensure student success.
- **Engaging content and built-in incentives** keep students motivated and excited to learn.
- **Online and mobile instruction** is accessible at school, at home, or on the go.

## Adaptive, Personalized Instruction

Headsprout offers a unique, adaptive approach to foundational reading and reading comprehension instruction. The program automatically responds to incorrect answers and instantly adapts the learning path and pace to meet each student's needs, ensuring that all students can master essential skills at every learning level.

## Research-Proven and Classroom-Tested

Headsprout has been proven effective in numerous research studies and reviews conducted in classroom settings around the world. The standards-aligned content has been shown to improve test scores, engage disinterested or struggling students, and help ELL and special needs students learn to read.

## Fun and Engaging for Kids

Headsprout incorporates a vibrant cast of characters and settings that take children on an interactive journey through a series of 130 scaffolded episodes packed with animations, activities, and puzzles. Children love the immersive experience and keep coming back for more.
